Annual Reviews

If you have an EHC (Education, Health and Care) Plan...

Months

It should be reviewed every year.
This is called “transition” planning.

Your school or college should help you to prepare for the review meeting.

You can say what you like and dislike.

You can say what you want for the future.

You can say what support is working for you and what is not.

You can use videos, PowerPoint or pictures to help you say what you want.

You can invite a parent or other people who are important to you.
