

## The Local Offer – Support near you

You can find out what support there is near you, by looking at the Local Offer. This is a web page or written information, such as a leaflet. It is written by North Somerset Council, which is sometimes called ‘the council’.

The Local Offer is for:

- children and young people with disabilities
- children and young people with special educational needs. If you need extra help to learn things, then you might have special educational needs
- families of those children and young people.

The Local Offer must tell you about the support you can get near you.

The Local Offer must tell you about:

- schools, colleges or training
- special health support
- hobbies or fun activities
- support for becoming an adult
- transport.

North Somerset Council must ask you what you would like to see in the Local Offer.

And you can tell the council what you think about the Local Offer. They must show everyone what people have said, and say how they will make the Local Offer better.

Your Local Offer is on the North Somerset Council's website. If you cannot get on the website then the council should give you written information, like a leaflet.
